

MASTER PRODUCTS FOR MASTER PAINTERS

In *KYANIZE* Celoid Finish and *KYANIZE* Floor Enamel we offer the particular and conscientious painter products that are exceptional for quality.

Leaders in the trade use and recommend them—you cannot afford to ignore them.

Kyanize Floor Enamel

This is the product you must use on old floors of wood, cement or metal (indoors or out) if you would have

- Greatest covering capacity per gallon.
- Exceptional waterproof properties.
- Freedom from brush marks and laps.
- Uniformly brilliant lustre.
- Strong and durable colors.
- Speed in hardening (easily overnight).
- Sterling quality at moderate price.

Kyanize Celoid Finish

When you seek superlative results in interior tinting for walls and woodwork you must use *KYANIZE* Celoid Finish if you expect to obtain

- A medium-gloss waterproof enamel.
- Hiding power extraordinary in one coat.
- Extra square feet of coverage to the gallon.
- Washability without slightest injury.
- Popular but unusual tints and colors.
- A hand-rubbed lustre without rubbing.
- Real enamel at an exceptionally low price.

These are but some of the reasons why these Master Products for Master Painters should appeal to you.

WHAT SOME USERS SAY

"Best enamel that can be bought anywhere."

*J. F. L., Gainesville, Texas.

"I will recommend your *KYANIZE* Floor Enamel as the best material I have ever used."

*G. A. N., North Hyde Park, Vt.

"I liked your Celoid and for my part don't think there is anything to compare with it."

*W. A. D., Jersey City, N. J.

"*KYANIZE* Varnish Products—are Aces High with me."

*E. A., New York City

Many others have sent us similar voluntary expressions.

*Names furnished on request.

Balcome's Pharmacy,
Watertown, N. Y.

Kyanize Floor Enamel

Made in the nine attractive colors shown above, this is an exceptional product for the master painter.

Easy flowing, solid covering, it dries overnight with a hard leather-like film of great beauty and brilliancy.

Waterproof and more. Can be used with uniform success on old floors, indoors or out. Excellent for dado work and standing trim. Unexcelled for concrete, cement, wood, metal or brick.

An enamel of general use for interior as well as exterior surfaces.

FLOOR ENAMEL

Kyanize

CELOID FINISH

Kyanize Celoid Finish

In the colors shown below. The newest addition to the celebrated KYANIZE line. A wonderful medium-gloss waterproof enamel for all interior work on walls of all kinds, ceilings, standing trim, woodwork and furniture.

Dries overnight with a most beautiful subdued gloss, resembling an expensive hand-rubbed effect.

Flows beautifully, covers excellently and its hiding power in one coat is amazing. Covers more solidly with one coat than ordinary enamels will with two.

Made in twelve beautiful shades and Black. White and Chinese Red.
